Check-in and Check-out Information

Camp Idlewild has taken new precautions to ensure the safety of our campers, staff and families during the COVID-19 pandemic. We are asking that you follow these simple steps for check-in and check-out. Please help us keep camp safe by following these procedures and being patient during this process. Note: there is a Pre-screen and 4 other stations that are required in order to complete the check-in process.

Please make sure that all passengers in the vehicle are wearing a mask throughout the entire Check-in process.
